## Victory Sunday

There is always excitement at Great Hope Baptist Church as we anticipate what our final promise will be. The church has set a high goal this year at \$330,000 for world evangelization. Someone has said a missions conference is the church convened for a business meeting to decide the fate of the world. We have been doing just that this week, as God's people have been challenged by our missionary speakers and have responded by making their promises.

As we close out the conference today, Dr. James Ray will be giving us the final challenge from God's Word. He will be speaking to all adults in Sunday School as well as preaching in the morning and evening services. Let's pray that God will do more than we could think or ask for this year. Amen!
