2019

From the Directors Pen

Kindergarten at Valley Christian Academy

For parents of our 4-year-old classes, please take a moment to consider enrolling your soon-to-be-kindergarten child in Valley Christian Academy. Here are some facts about VCA's program:

- **FULL** day kindergarten program (8:30-3:00), including, History, Science, Art, Music, Phonics, Penmanship, Math, Spelling, Reading, and computers.
- Students learn to read
- Students learn to add and subtract
- Daily Bible reading and lessons
- All this for \$457.00 a month for 10 months.
- Morning care and afternoon care available also

Applications have been placed in your child's cubby. I will begin Kindergarten testing in April or May. But you must fill out the application and pay the registration fee before I can test your child. The application and a check can be dropped off at the preschool or the Academy. The test fee is \$20.00, charged to your Smart Tuition account. We have 66 preschool graduates this year and the kindergarten classes fill up fast. Outside registration is now open. If you have any questions, please give me a call at 805-937-2171 or the Academy at 805-937-6317.

Sincerely,

Barb Wilson, Director
