

Click on the "Promotions" Tab

LEFT click AND hold the desired email that you want to go to the "PRIMARY" inbox. Then drag it to your "Primary" inbox and release the left mouse button.

You will then click “YES” to have all future messages from tadpoles to come to your “Primary” inbox.

This has solved all the issues so far. In the event that it does not work, please contact me at tony@tlcmonroe.com.
