5TH & 6TH

MR. AVERY

Favorite food, drink, color, & hobby:

Chinese, sweet tea, blue, wood working.

What I love most about 5th & 6th

grade: Being crazy & having fun with my class.

A few of my favorite things:

Home improvement, theme parks & spending time with my family.

From: Washington

Birthday: May 24

Teacher since: 2008

Look what we're learning:

Bible: Daniel; Philippians 4:13

Arithmetic: Fractions & Percents

History: Korean War

What is your favorite part about being in Mr. Avery's Class?

"He is really funny." -Lidiana-

"He helps me when I have question, because I always have a question!" -Deb-

What is your favorite subject?

"Science / Health." -All of 6th grade-

"History" -Faith-

IOWA/CogAT Testing

4/9/18 - 4/13/18

These tests are used to help evaluate your child's academic progress. Testing will start promptly at 8:30 a.m. and will finish each day around 12:00 p.m.

The first half of the day will be testing and the second half of the day will be regular studies with a lot of time built in for extra breaks and recess.

Please ensure your child/children have adequate rest, a nutritious breakfast, and are in their classroom on time (8:15 a.m.). Also, please send them with a book to read.

We do not want children to feel pressured during the testing, but positive encouragement to do their best is appreciated. This test will not pass or fail the student; however, it will evaluate where they are in relation to other students their age across the country.
