Alaska or Bust, and Other Stories, by Erma Odrach

A collection of stories from the far north, some humorous and some moving, *Alaska or Bust* takes the reader on a sub-arctic journey, where the landscape is not only larger-than-life but where people live on the edge - Giorgio, an Italian tourist cycling up the Alaska Highway, gets mauled by a bear; Chuck, a street-wise city dog, becomes lost in the wilds of Alaska; a vaudeville performer in Dawson City amuses her audiences with her unbelievably big nose. Some of the stories are real, some of them are only partly real. With a wide spectrum of humorous and serious themes, *Alaska or Bust* puts you in the heart of a vast, unspoiled wilderness; it puts you in the heart of the Last Frontier.
