The Magic World of Bracken Lea, by Esma Race

Illustrated short stories for children, featuring the adventures of Glodwyn the Gnome and his woodland friends.

Glodwyn the Gnome is a bit of a rebel. His job is to watch over the ancient woodland, but his good-natured interest in the human world seen through the eyes of his unknowing "friend", Walter the Stack Truck Driver at the local factory, leads him to interfere in their affairs, with interesting results for all concerned. With his help, the Fairy Folk rescue a little boy from drowning, save the life of an injured cat and later that of a confused old lady who collapses in the Wood. A series of illustrated short stories for children.
