WHIP DODGE: MAN HUNTER, by Wesley Tallant

Idaho Territory. A bank robbery and murder in the town of Eagle Rock prompts the town marshal to request the assistance of the legendary bounty hunter, Whip Dodge. A trek across the desert brings the murdering bank robbers to justice, but Whip soon finds that there is more afoot than just robbery and murder. An old enemy has surfaced and is trying to take over the valley for himself. With the help of a couple of visiting Texas Rangers, a crotchety old judge, and the townspeople themselves, justice prevails and peace returns to Eagle Rock.
