

“EACH DAY IS **CHALLENGING.**
EACH DAY IS **DIFFERENT.**
EACH DAY IS **REWARDING...**”

Lieutenant Jamal Gwathney, Physician, U.S. Public Health Service Commissioned Corps

DO YOU HAVE WHAT IT TAKES?

It's unlike any other health career you'll ever find. Put on the uniform of a U.S. Public Health Service (USPHS) Commissioned Corps officer, and you'll join an elite team of professionals who protect, promote, and improve the health and safety of our nation.

From within our ranks as a physician, nurse, dentist, pharmacist, therapist, mental health provider, and other health care professionals, you'll support state-of-the-art health care to underserved populations, guard Americans from emerging diseases and other biological threats, respond to public health emergencies in the U.S. and abroad, and much more.

As you consider your future health career, ask yourself if you have what it takes to be an officer in the USPHS Commissioned Corps. Find out more about USPHS, mentoring, and other career opportunities at www.usphs.gov.

MAKE THE U.S. PUBLIC HEALTH SERVICE COMMISSIONED CORPS THE HIGHLIGHT OF YOUR CAREER.
