Don't Quit While You're Ahead, by Cynthia Macgregor

Like Love, success expands creating more. There is room for improvement in the life of even the most successful person.

Do you feel there's something missing from your life, but feel it's wrong to want more than you have? Learn how to fill those empty gaps and make your world blossom. This motivational book may give you the boost you need to change your life for the better, even if you are content with where you are. Allow yourself to become inspired to seek new goals and build on your achievements - in fact, Don't Quit While You're Ahead.
