

MEDIA RELEASE

Faith Baptist Preschool and Academy (FBA) strives to celebrate the accomplishments of its students by sharing information with the community. To do this, FBA may submit press releases to local media (newspapers, radio, television) that would include student's work, student's photographs, video and/or voice recordings.

In addition, FBA may choose to publish and/or display this information in sponsored publications, website(s) and various social media channels (Facebook, Instagram, and other social media). While the intent of this practice is to be informative and celebratory, FBA recognizes that concerns may arise regarding a student's right to privacy.

It is the intent and practice of FBA to publish, post, or release ONLY a student's name, photograph, and/or video or voice recording, displays of student work or other school-related information and ONLY as related to student achievement (e.g. academic recognition or award) or student accomplishments (e.g. a specially selected piece of work).

Please check only one box below to indicate whether or not you authorize this media release.
