

Exhibitor Policy

Only authorised exhibitors and sponsors who hold an 'Exhibitor Pass' are permitted to solicit trade and distribute material (including, but not limited to, brochures and business cards) at the Penrith Working Truck Show.

Any person granted authorisation must be in possession of an Exhibitors Pass at all times during the event and produce it when requested by security or officials.

This is a charity event, the Museum of Fire will take action against those who wish to exploit this fundraiser for commercial gain and the Museum will protect the rights of its sponsors and exhibitors who contribute so generously.

The Museum reserves the right to expel any unauthorised exhibitors and remove them from the event. Their admission ticket will not be refunded.
