### **Platinum collects two key industry awards**

*Platinum awarded Best Single Strategy Funds & FoHF Manager and special Client Choice Award at the 2014 Wealth & Finance Alternative Investment Awards*

**London, 13 August, 2014** – Platinum Capital Management Ltd (“Platinum”), the global investment firm, has been recognised in two categories in the Wealth and Finance International Alternative Investment Awards 2014. Platinum was named as the winner in both the Best Single Strategy Funds & FoHF Manager Award and picked up Client Choice Award in recognition of the firm’s outstanding client retention.

Wealth and Finance International’s awards are dedicated to shining a spotlight on the brightest, best performing and most deserving companies and individuals from around the business world. In its first year, the Alternative Investment Awards apply to any form of trading or investment that is not stocks, bonds or cash and can cover anything from hedge funds and managed futures, to private equity and derivatives, from real estate and venture capital to art, wine and precious metals.

**Peter Sprecher, Founder and Chairman of Platinum Capital Management, commented:**

*“The Platinum platform provides a range of unique investment solutions designed to perform well in any market conditions and across cycles. It is pleasing for Platinum to be recognised by an independent network of respected industry partners for our outperformance across the single strategy and hedge fund of funds categories.*

*“It is equally gratifying to have received the Client Choice Award. This reflects the fact that 75% of our investors have partnered with us for over five years. Providing a long-term perspective and outstanding investment performance alongside best in class client service is at the heart of what we do. We would like to thank our investors for their continued support.”*
