

FORT MCMURRAY
CONSTRUCTION ASSOCIATION

Join the FMCA! And be part of the association that is shaping the future of construction in Wood Buffalo.

About the FMCA

The Fort McMurray Construction Association (FMCA), formed in 1987, is a non-profit trade association that provides services for over 150 member firms. As the region's largest construction association, we continue to serve the construction industry through our comprehensive construction information services, advocacy efforts, and educational and networking opportunities

FMCA provides up-to-date information on construction procurement opportunities and industry activities for a membership of General Contractors, Trade Contractors, Manufacturers and Suppliers of Goods and Services to the Construction Industry.

Each year, hundreds of sets of tender documents are received by the FMCA Plan Room for viewing by members. Tender documents are sent to FMCA by the Federal, Provincial and Municipal Government, as well as the Private Sector and represent small to large commercial, institutional and some Industrial projects out for bid in the Regional Municipality of Wood Buffalo.

Drop by for a demonstration and a tour of the Plan Room to see how a membership with the Fort McMurray Construction Association can give your firm a competitive advantage!

Why Join FMCA?

BE SEEN.

Membership with FMCA can help you grow your network and get the exposure you need to succeed. Make the connections you need to bring your business to the next level by participating in FMCA initiatives. Throughout the year, FMCA offers its members countless networking opportunities with peers, business representatives, and government officials through a variety of venues including networking luncheons, seminars, golf tournaments, and other special events.

Through our website and its many communications and events, FMCA also endeavours to ensure its members are highly visible and connected. This includes our member directory, as well as referrals FMCA provides in response to public and business inquiries for advice on local services. Other avenues include celebrating members through the Construction Industry Recognition Awards program and our Member Spotlight Program.

BE HEARD

Make a difference on the issues that matter to your business by using the strength of the FMCA network. FMCA is dedicated to improving the construction industry in the RMWB, which is about working to bring change not only locally, but also within the province and throughout Canada.

FMCA members are represented provincially by the Alberta Construction Association and nationally by the Canadian Construction Association.

BE INFORMED

FMCA helps you stay connected to what's happening in the world of Construction with timely and relevant information that matters to you. Keep in the know with FMCA's weekly newsletters and of course, our website – www.fmca.net

Join Online Now! Interested in becoming a member of FMCA?

You can easily complete an online application form at www.fmca.net

FMCA Community

As an FMCA member you are automatically part of the Alberta Construction Association and the Canadian Construction Association.

As such, your voice is heard nationwide as we seek to collaborate with all levels of government and industry for the betterment of our member firms.

Our primary interest is to work on behalf of our membership to spearhead the initiatives that will grow our industry locally, provincially, nationally and internationally.

We do our best to work with all parties to find common solutions. Working for the betterment of our industry is truly about community collaboration!

Questions?

If you have questions about the FMCA membership, feel free to contact us at 780-791-9288.
