Meet Dr. Mark Fagan:

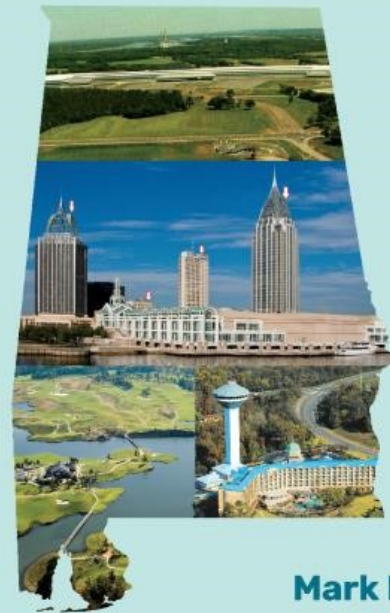

Dr. Mark Fagan is the author of the newly published *Alabama's Public Pension Fund Growth and Economic Expansion Since 1973*, which examines the legacy of Dr. David G. Bronner's leadership on the Retirement Systems of Alabama. Dr. Fagan has been writing about economic impacts, economic history, and economic development for thirty-five years; his previous works include *Attracting Retirees for Economic Development*; *Retirement Development: A How-To Guidebook*; *The Robert Trent Jones Golf Trail: Its History and Economic Impact*; *Coastal Alabama Retirement Guide*; and *Coastal Alabama Economic History*. Since 1992 he has assisted the RSA with The Robert Trent Jones Golf Trail, negotiating for three sites, projecting economic impact studies for five sites and access roads for four sites, and producing booklets, articles, and news stories on various RSA initiatives.
