

THE DAY FAMILY

Missionaries to Ireland

Dear Praying Friends and Family,

December 5, 2013

It is hard to believe that we have been in Ireland for an entire year! We have been able to see some amazing answers to prayer this year and have watched the Lord do some miraculous things here in Ireland and in the lives of our friends and family.

UPDATE ON PRAYER REQUESTS: First, we have been asking for prayer for a woman named Doris to get saved. Well, she trusted Christ as her Saviour after she met with Dan Eberly's wife, Kathy, for coffee! We are so thankful that the seeds planted and watered have come to fruit! Also, another woman by the name of Olivia trusted Christ as her Saviour after a morning service. She too had attended the R.U. ministry. Pastor Ledbetter and his wife Nita led her to Christ. Please pray that these ladies will become more faithful and continue to grow as Christians.

Secondly, the Lord provided the funds for our passport stamps! Thank you so much to those who gave for that need and prayed about it with us! We had a great experience during the renewal process. The immigration officer who dealt with us was very understanding and helped us out. Jennifer was approved right away, and I was able to get my stamp a couple of weeks later, the delay due to the need to renew my passport in Dublin. Our plans for the next year are to continue to work with Pastor Ledbetter.

UPDATE ON MINISTRY EVENTS: On Halloween night, we had a special church activity called Light the Night. This is a yearly event for the church. We had 115 people, including 60 children, out for the activity! The night was a lot of fun with games, fellowship, food, and preaching. I was able to preach a message about the need for Christians to shine as lights in this dark world.

At the end of November, the R.U. ministry finished its second 12-week course. We had twenty-five people attend throughout the twelve weeks and nineteen people finish the course. We had five first time visitors to the R.U. program. We are praying that the numbers will continue to grow as more people hear about the course and receive the help they are seeking.

The month of December begins another busy month of outreach to the community. We will be carolling at two nursing homes, hosting a Christmas ladies fellowship at our house, singing in downtown Cork city for Christmas on the Street, participating in a Children's Christmas Cantata called **The Not So Silent Night**, hosting a College & Career Christmas party at our house, having our regular Christmas Day meeting, and finally, organizing a New Year's Eve activity at the end of the month! We have much to do in anticipation of new visitors. We are praying for more people to get saved!

UPDATE ON SUPPORT LEVEL: When we left for Ireland last year, we were short of our minimal support goal by about \$450 a month. We are currently still about \$400 per month under our minimal support goal. Over the last year, we have gained new supporting churches and some of our current supporting churches have increased their support, but we have also had a few good churches that, due to unforeseen circumstances, are no longer able to support us regularly. We are so thankful for those who do support us faithfully every month and for those who do so when they are able. Please be in prayer for our support to increase.

We truly appreciate your faithful prayers and financial support. We are always aware of your sacrifice and are humbled that it is by the giving of God's children that we are able to minister to the people here in Ballincollig and Cork. As the Christmas season approaches, we want to say thank you so much for being a part of our ministry! We pray that you have a blessed Christmas and New Year!

Your Missionaries in Ireland,

Andrew and Jennifer Day
