

THE DAY FAMILY

Missionaries to Ireland

Dear Friends and Family,

October 7, 2013

Thank you so much for praying for us here in Ireland. This year we have had the best summer temperatures that Ireland has seen for years! The weather really co-operated with all of our outreach ministries and events!

In July, we had our first group finish our special 12 Weeks to Freedom Reformers Unanimous program. We had 29 people come throughout the twelve weeks, and 10 students completed the entire program. We are continuing to pray for Doris and her salvation. She continues to come to the R.U. meetings on Friday nights and desires the "true faith"!

August was a very busy month this summer. We had a team of 17 people from five churches in the greater Buffalo, New York area come over to help us with some very extensive and productive evangelism efforts, which included our Bible Clubs and Target the Heart. They were such a blessing, and we are so thankful to them for coming!

Our Bible Club theme was Amazing Kids of the Bible. It was thrilling to see

all the children show up! We had about 90 children the first day and had a high day of 106! Nine children made decisions to trust Jesus Christ as their Saviour and be born again!

Right after the Bible Club, we started the next week with Target the Heart. It is a ministry targeting our own teenagers to focus on reaching out to other teens in the area and to learn how to witness and win souls. We had a great group of our own teenagers out every day on the streets looking for opportunities to give the Gospel to teens, and also to invite them to a special meeting we held every night. We had 39 in attendance the first night and a high number of 45. It was great seeing teenagers who had been invited earlier in the day come to the meeting! Altogether, 14 new teenagers came out. Though no one got saved, they were very clearly witnessed to and we are following up on them. Another big blessing is that our own teenagers have realized the great need of reaching their peers and have experienced an increased burden to reach souls themselves!

It is amazing to realize that we have been here in Ireland for almost a year. We would appreciate special prayer in regards to our immigration stamp being renewed in November. We have until November 14th to renew for another year. We would also appreciate prayer for the need of our stamps, as it is about \$400 per person.

With the summer over, our attention has now turned to planning our Christmas outreach programs. Please pray that the Lord will give us souls saved and visitors. We are so thankful to the Lord for you all! We want to say a special thank you to the churches and families who sent special care packages to us and the Ledbetters, as well as birthday cards to Jennifer and me. They were such an incredible blessing! Your prayers and financial support are such an encouragement to us. Please continue to pray that we can have an impact on the lives of those here and that we'll see more people saved.

Your Missionaries in Ireland,

Andrew and Jennifer Day
