## Manufacturing.net Serves as Sponsors for the 4<sup>th</sup> ERP Vendor Shootout

**An event for mid-sized companies in the manufacturing and distribution industries to determine “short list” when evaluating an Enterprise Resource Planning (ERP) Software Partners**

**GREENSBORO, NC - January 26, 2009** – Manufacturing.net will serve as a sponsor and media partner for the 4<sup>th</sup> ERP Vendor Shootout. Technology Evaluation Centers (TEC) of Montreal, Canada will serve as the moderator of this VAR (Value Added Reseller) Community event while several ERP Resellers present their product. During this unique event, six ERP packages will be presented in a side-by-side comparison. The event is scheduled to be held in Charlotte, NC on March 26, 2009. Each of the ERP packages will be represented by an official VAR within the region. The following is a list of the participating companies and their product:

- **Epicor** - Alogic – [www.alogic-us.com](http://www.alogic-us.com)
- **Oracle JD Edwards** - brij – [www.brij.net](http://www.brij.net)
- **IFS Applications** – IFS - [www.ifsworld.com](http://www.ifsworld.com)
- **Infor** - Synergy Resources – [www.synergyresources.net](http://www.synergyresources.net)
- **SAP** – [www.sap.com](http://www.sap.com)
- **Microsoft Axapta** - Sunrise Technologies Inc. — [www.sunriseconsult.com](http://www.sunriseconsult.com)

The targeted audience for this event is mid-sized manufacturing and distribution companies who are considering an ERP software selection or upgrade. The goal of the event is to simplify the ERP software selection process. This event alleviates some of the painful inefficiencies of the selection process by coordinating onsite software presentations and delivering them in a one day event. End-user attendees will participate in a series of scripted demos from resellers, gaining a side-by-side, comparative view of product functionality, user interfaces, and overall usability.
