

'Infinity' Heucherella

Heucherella x 'Infinity'

- ❁ Large, dark, chocolate colored, velvety leaves work together to form a mounding, bushy perennial that makes a statement in any garden. Creamy pink buds open to cream colored flowers on two foot spikes that bloom continuously from the end of May to late September
- ❁ Foamy Bells are a hybrid between Coral Bells and Foam Flowers combining the best traits of both into one. Foliage should not be trimmed back in the fall, but plants may be tidied up in spring by removing any withered or tired-looking leaves

Height: 15 Inches

Zone: 5
