Top ERP Software Resellers Team Up for the 4th ERP Vendor Shootout

An event for mid-sized companies in the manufacturing and distribution industries to determine "short list" when evaluating an Enterprise Resource Planning (ERP) Software Partners

GREENSBORO, NC - January 5, 2009 – Technology Evaluation Centers (TEC) of Montreal, Canada will serve as the moderator of the event while several ERP Resellers present their product. During this unique event, six ERP packages will be presented in a side-by-side comparison at the 4th ERP Vendor Shootout, to be held in Charlotte, NC on March 26, 2009. Each of the ERP packages will be represented by an official Value Added Reseller (VAR) within the region. The following is a list of the participating companies and their product:

- **Epicor -** Alogic – www.alogic-us.com
- **Oracle JD Edwards** - brij – www.brij.net
- **IFS Applications** – IFS - www.ifsworld.com
- **Infor -** Synergy Resources – www.synergyresources.net
- **SAP** – www.sap.com
- **Microsoft Axapta -** Sunrise Technologies Inc. –– www.sunriseconsult.com

The targeted audience for this event is mid-sized manufacturing and distribution companies who are considering an ERP software selection or upgrade. The goal of the event is to simplify the ERP software selection process. This event alleviates some of the painful inefficiencies of the selection process by coordinating onsite software presentations and delivering them in a one day event. End-user attendees will participate in a series of scripted demos from resellers, gaining a side-by-side, comparative view of product functionality, user interfaces, and overall usability. Attendees can also visit breakout sessions hosted by industry experts that cover topics pertaining to the selection and implementation processes. The event will also feature a keynote speaker at lunch and a networking cocktail hour to conclude the day.
