Citizens' Concerns

Bill asked the folks attending to provide feedback from November's 15 presentation.

David Morrison spoke up. He stated that it was interesting and found interest in this 'new concept', "it may have legs".

Roberta stated that she thought the schedule of 'informational meetings should be posted in advance, not just warned. Bill stated that he holds these meetings to gather information and will continue as needed. When there are new things to share or more information needs to be gathered. Bill also stated this will take some time and if/when this goes through, we can still change it.

Roberta would like to have the board ID 'Rural Waterford'. Bill suggested to Roberta to create a presentation to the town with her interests.

David reminded everyone that the population as he recalls in 1960 was approximately 460.

Irene walked through a presentation looking at some of the issues brought up over the last couple of months. Irene will identify three parcels and show examples as to both now and after these changes as to what effects the changes would have to these properties.

Howard made the motion to adjourn at 8:15 P.M. Dave seconded, all approved.
