

Row Eleven

2011 Ricardo d. Selection Santa Maria Valley

We believe each glass of our Pinot Noir should be rich with ripe cherry flavors, enhanced by the flavors of earth and barrel. Every sip should be silky smooth. We expect elegance from our Pinot Noirs.

"I have selected every row and vine that went into this wine. In the end, all that matters is that you enjoy it. If you do, call me. My phone number is on every cork."
