

STRATTON LUMMIS

2010 Cabernet Sauvignon Napa Valley

Our Mission: To make a great-drinking but affordable Napa Valley Cabernet Sauvignon.

We make this unique blend from two of Napa Valley's best appellations - Oakville and Rutherford - and from Napa's two best grapes - Cabernet Sauvignon and Petite Verdot.

Stratton Lummis 2010 Cabernet Sauvignon is dark colored, full bodied, elegant, with textural soft tannins and layers of dark fruit, cassis and mocha. Our wines are ready upon release but drinkable for years to come. Stratton Lummis wines are often described as "wonderful finesse wines". Our 2010 Cabernet Sauvignon marks our tenth straight vintage. One taste will prove that we are a terrific value.

2010 was a cool, longer than normal vintage that resulted in wonderful flavor and color development.
