

STRATTON LUMMIS

The Riddler®

Lot 4

Lot 4 continues the tradition of seven different varieties of grapes grown in Napa. Some of the grapes have changed. It has never been our intention to make the same wine year after year. We search for new and interesting combinations between our vineyard sources. Our hope is you compare the different lots with each other. Lot 4 moves away from a key Bordeaux varietal as one of the dominant grapes.

Dark fruit flavors play with brighter aromas. Hints of plums, dark cherries, and cassis should bring you lots of pleasure and mystery as you try to solve the riddle in each glass.

The Riddler™ always pairs wonderfully with chefs' finest meat dishes. It is so smooth that it can be enjoyed on its own, or shared with a special someone.

"The Riddler™ takes me back to my boyhood. I am six years old. Playing alone, I have discovered an old stone winery on a friend's property. The door opens easily. I step inside, amazed at the rows of giant oak tanks, I brush their sides with my fingers, delightfully finding drops of sticky liquid. Each is a mystery of new smells and tastes. They are riddles that I have spent my life trying to solve."

- Richard de los Reyes

The Riddler™ is bottled by Stratton Lummis. It has given us endless friends. We at Stratton Lummis wish that Lot 4 of The Riddler™ brings you the same.
