## The Riddler®

### Lot 5

Lot 5 continues the tradition of blending multiple varieties of red grapes grown in Napa. It has never been our intention to make the same wine year after year. We continually search for new and interesting combinations. Our hope is you compare the different lots. Your only clue is that Lot 5 moves away from a key Bordeaux varietal used in Lots 3 and 4.

Dark fruit, hints of plums, cherries, and cassis should bring you lots of pleasure and mystery as you try to solve the riddle in each glass.

The Riddler™ always pairs wonderfully with chefs' finest meat dishes. It is so smooth that it can be enjoyed on its own, or shared with a special someone.

The Riddler™ is bottled by Stratton Lummis. It has given us endless friends. We at Stratton Lummis wish that Lot 5 of The Riddler™ brings you the same.
