

STRATTON LUMMIS

The Riddler[®]

**Lot 6
Napa Valley**

Lot 6 continues the tradition of blending multiple varieties of red grapes. It has never been our intention to make the same wine year after year. We continually search for new and interesting combinations. Our hope is you compare the different lots.

Dark fruit, cherries, and cassis should bring you lots of pleasure and mystery as you try to solve the riddle in each glass. Lot 6 is slightly drier with less alcohol than Lot 5.

It is silky smooth. Enjoy it on its own, or paired with roasted or grilled meat dishes.

The Riddler[™] is bottled by Stratton Lummis. It has given us endless friends. We at Stratton Lummis wish that Lot 6 of The Riddler[™] brings you the same.
