Dear Friends and Family,

Greetings in the name of our Blessed Lord, Jesus Christ! The last two months have been filled with blessings and answer to prayer. We have also been on the road extensively since the first of February and have had two more churches take us on for support!

We are rejoicing over a great answer to prayer since our last letter. The Lord has provided the funds to purchase plane tickets for a survey trip to Ireland! We have purchased them and we will be leaving April 22 and returning on May 11 of this year! Jennifer is very excited about seeing Ireland and meeting the people there for the first time. Thank you to those who prayed about this special request and to those who helped provide that need.

We do have another big prayer request. We are hoping to sell our mobile home in Gaylord by this summer. The Lord has begun providing many meetings out of the state and our home has now become an unneeded expense.

Lastly, we have enjoyed our traveling through the States. We also have enjoyed being able to be a witness in places that we have never been before and would never have been had it not been for deputation. I really want to encourage you to hand out tracts wherever you may be. You never know what the Word of God and the Holy Spirit will do to people's hearts when they read them. We may not always have a lot of time to witness with an open Bible, but most people will take a tract and read it on their own time. Leave them at homes when people are not there, and even in public places. We just never know what God can do with one tract.

Please continue to pray for safety as we travel to our meetings. Thank you so much for your prayers and financial support. We appreciate your faithfulness to the Lord!

Andrew and Jennifer Day
