THE LAST FRONTIER

July –August 2009

God Is So Good!!!

We have been blessed beyond all measure, and we are well aware just how good our Lord has been to us! Our support level is continuing to climb, 53%, after being on full time deputation for one year. It has been our desire to be a blessing to each one we come in contact with on deputation, but many folks have been a tremendous blessing to us. The Lord has provided a couple of churches who are sending their Vacation Bible School money to us. Once again proving that God is always supplying our needs!

The summer has held many exciting meetings, we are thankful for three new churches taking us on for support during the month of June. We have been praying that God would provide us with at least three new supporters each month, and He is answering! It never fails that God meets the needs of His people.

We are praying for God's timing in our move to Alaska, if God permits we are leaving for the Last Frontier, May 2010! With the Lord, this is an attainable goal. The moving of our things has already been taken care of, a great answer to prayer! We will need to sell our home in Wytheville, and purchase a larger vehicle, as well as a trailer. Would you please pray with us that God will take care of these small items?

We would like to thank the Lord for all that He has done. It is such a blessing knowing that you are prayerfully and financially partnering with our ministry of Taking the Word of God to the Last Frontier!!
