September-October 2010

Dear Praying Friends,

Winter is coming, if not already here!!! This past week we got up to find about 8 inches of snow on the ground. I know that is nothing for many folks, but to us, having snow in September is definitely a change! The temperature is dropping and we are working to get everything ready before the winter starts. I am finding that the simple things, like extension cords that I brought from Virginia, will not hold up in the frigid temperatures that are soon upon us! We are able to find most of our winter clothing, and have had folks here help us with getting the remainder of what we need! Our boys were blessed by receiving a special love offering from Temple Baptist Church, Vacation Bible School, in Marion NC! We are also thankful to the men who came up from Anchorage to help us get the last couple of cords of wood that we will need for this winter.

The ministry here in Glennallen is doing well, and it has been exciting to see how folks are growing just by being faithful to church! The church had Vacation Bible School, and we had 3 children trust Christ as their Savior! God also gave us the joy of leading a 64 year old native gentleman to Christ while out on door to door visitation. Please pray with us that God will help us to disciple this man and his wife. Many of the natives will not leave their village to come into town to attend church, and while recently visiting with a village elder, he mentioned having church services in the village community building!!! PRAY that God will work this out! With the church building being an old house, we have basically run out of room for Sunday school. Thus we have been constructing a 16' x 24' building to hold two Sunday school classes. The project is coming to a completion, and we hope to be having classes in there by the end of October!

We are so thankful to all of you for your prayers, and it is such an encouragement to read the cards that many have sent, either for birthdays, or just a word of encouragement! Please note our new address and phone number at the bottom of this letter, and know that we THANK YOU for partnering with our ministry here in Alaska!
