TRY OUR NEW "Nothing to Fear" Trial/Trail Membership

Interested, but a little afraid?

Start off slow with our new Trial/Trail membership.

Beginning in April we will have several scheduled trail rides (no hounds). Each trail ride will have two groups to accommodate a faster and slower ride. Get accustomed to the property with ease and introduce your horse

to hounds slowly and be ready to ride to hounds by October! If hunting is not for you but you love Bridlespur, join as a social member instead and just trail ride and party with us. We're a fun group of people.

up to \$62.50 per month

(\$30/mo for 30 yrs & under, \$10/mo for 18 & under)
