May/June 2019

Dear Praying Friends,

These past few months have been busy with fulfilling the third part of the Great Commission, which says, "Teaching them to observe all things whatsoever I have commanded you."

We began the month of March by opening the Lifeline Baptist Bible Institute. We have four men (Musche, Charles, Shondell, and Joel) that have been a part, and have shown great commitment to their studies so far. We are doing two courses this term. In the Biblical Leadership course, we are looking at leadership lessons from the life of Moses. In Bible Doctrines, we are looking at Bibliology (study about the Bible) and we are about to begin the deity of Christ. Both courses require Bible reading, scripture memorization, writing assignments, and weekly homework and quizzes. We have already seen some great strides made in two of these men's lives.

We also welcomed our sending pastor, Chad Braley, as he was able to come and see our church plant for the first time. While here, he also preached revival services. Many of our folks were faithful each evening, and three of the national pastors brought their churches out in support as well. We had a wonderful time of fellowship together!

As March came to a close, we had a group of men from West Virginia and Ohio visit with us. They did a number of projects around the church, including general repairs, building shelves, painting, etc. These men presented lessons to the Bible Institute, and each of the men had an opportunity to teach in the church plant. On their final full day, it was the church plant's second anniversary. One of our supporters, Pastor Kevin Rowland preached, and we had almost 90 in attendance.

We have also continued our soul-winning training classes. What a blessing to see some of our folks getting more comfortable with memorizing and explaining

Scripture! There is still much work to be done, but we are encouraged by the effort shown thus far.

April was busy, with each of our ministries continuing. Joseph was a co-officiant at a wedding for Donna's cousin, plus we had our Easter services and Easter Monday church activity at a local park.

We thank God for the faithfulness of His people to support us on a regular basis, along with His provision for land for the church, as another \$5,000 was given toward that. We would appreciate prayer for God to continue to work in that need. Also, the house we have been living in since our arrival nearly three years ago sold, so we must find another place (and pack and move out) before the end of May. It is VERY difficult to find a 3 bedroom apartment in this area, so please pray! Please note that our permanent address is now: Childers family, PO Box 973, Grenville, St. Andrews, Grenada, West Indies.

In Christ,

Joseph, Donna, Brielle, Ryan and Noelle Childers
