ANNUAL STUDENT CHRISTMAS CD

Each year, the students produce an Annual Student Christmas CD. Each student not only learns one song to put on the CD, but also has a hand in the editing and production of the CD. The regular Recording Session that is held on the first two weeks of November is to record these Christmas Songs, along with the student's other finished songs.

When the recording is finished, one CD is given to each family at no extra charge (more are available at \$3.50 per CD to cover only the supplies involved).

The students also perform their Christmas songs at a Community Service Performance at Merrill Gardens Northbay. In 2013, we're also going to look into performing our Christmas songs at a children's ward in one of the local hospitals.

In 2011, the students decided to sell their Christmas CD to raise money for "Toys for Tots". They held an outdoor concert at the Woodcreek Plaza in Fairfield and sold their CDs around school & their parent's places of work. We even caught the attention of the Fairfield Daily Republic ... and they printed two different news articles about the CD and the Concert that you can read here:

I am proud to announce that the students raised over \$1,000 for Toys For Tots and had an absolutely wonderful time toy-shopping for the kids they were donating to.

This was a huge project, mainly due to the necessity of obtaining copyright permissions ... but it was such a worthwhile experience for the students that we plan to do it again in 2015.
