

Middle School Athletic Reminders

Our middle school soccer and volleyball games begin tomorrow! Here are a few reminders about middle school athletics:

Travel Games

- Students and coaches will be transported to game locations via bus.
- Bus transportation is provided for students and members of the coaching staff.
- Departure times for games will always be listed on Monday newsletters. Students will stay after school and prepare for departure.
- Middle school teams will not stop for meals, so you may feel free to send a snack with your child for travel games.
- If you wish to take your child home from an away game, they **must be signed-out** with a member of the coaching staff. All students not signed out at the conclusion of the final game will be transported back to school for parent pick-up. Students will contact parents on the way back to the school.

Home Games

- Students will stay after school to prepare for games.
- Parents will pick students up at the court/field at the conclusion of the game.

Uniforms

- Students should bring all parts of their (freshly cleaned) uniforms to school on game days. Please plan ahead so that your child has all of their equipment when school begins.

If you have questions, please do not hesitate to contact our Athletic Director, Dan Schatz at (701) 793-2234.
