

# THE GREAT KAIPARA ADVENTURE

## TWO DAY TOUR (PAGE 2)

### **DAY TWO : Dargaville to Helensville**

Today we rejoin our cruise boat Kewpie Too at Dargaville for the journey through the Northern Wairoa river and Kaipara Harbour to Helensville, during our journey today we explore many bays and inlets accessible only by boat where early gum diggers camped as they tried to make a living from the land, we also cruise by many river settlements where early settlers had grand dreams and plans for major communities but today could be described as ghost towns.

As we cruise through the sheltered inland waterways beside the Pouto peninsular we see many remote barren beaches with their white sands back dropped with the green of newly planted pine forests.

PAHI - KAIPARA HARBOUR

Our halfway point on our journey today is the old marine centre of Pouto Point where once harbour masters, customs officers and all port officials were based in the heyday of the shipping industry.

From Pouto Point we once again cross the Kaipara Heads and return through the inner harbour to Helensville
