

Safepak SAFESEAL[®] Coin Bag NZBA4

An ideal single use bag for situations requiring secure storage and depositing of bulk coin, featuring:

Tough security plastic film for maximum tear and impact resistance, ensuring coin remains secure and protected inside the bag. Designed to carry up to 8 kg of bulk coin.

Strong permanent adhesive keeps coin safely inside the bag.

Convenient handle ideal for easy transportation of multiple bags.

Easy-fill moderately tamper evident fold-over closure makes the bag easy to use whether filling by hand or coin counting machine.

Track and Trace , unique bag numbering provides a chain of evidence.

KeepSafe bags are **100% recyclable**.
