

1/25/18

Dear Parents,

For the past ten years Cornerstone Christian Academy has been awarded the very prestigious award of “Quality Status” from Accelerated Christian Education as a result in our high academic achievements and standards. Therefore, being a private Christian school with “Quality Status”, Cornerstone Christian Academy is now able to offer a very special opportunity for dual high school enrollment.

In an effort to provide our students with an advantage with the best in post high school opportunities, we are now offering a dual enrollment program that will provide your student with two high school diplomas. Each diploma will display an academic achievement of high excellence. Students who take part of the dual enrollment will benefit in having a diploma from Cornerstone Christian Academy that currently has a strong reputation in representing a college preparatory program. The second diploma will be issued by Lighthouse Christian Academy, which is an accredited A.C.E. program that will enhance graduates to more opportunities in their post high school careers. LCA is pleased to provide for students a recognized level of accreditation that is both regional and international in its scope.

LCA diplomas are accredited through three accreditation agencies:

- Middle States Association Commissions on Elementary and Secondary Schools (MSA-CESS)
- National Council for Private School Accreditation (NCPSA)
- Accreditation International (Ai)

Ai is a recognized member in good standing with the Council on Occupational Education (COE) and the International Council for Education.

Accredited diplomas are given to students that have met all LCA graduation requirements.

Advantages

- **Validation of diploma**—*schools and employers can contact LCA for verification.*
- **Transfer of credits**—*accreditation eases the transition of students as they move from one accredited organization to another.*
- **Access to programs and scholarships**—*accreditation aids students as they participate in sports programs, apply for federal grants, or pursue admission to accredited colleges.*

This year dual enrollment is mandatory for all senior level high school students currently enrolled at Cornerstone Christian Academy. We are highly recommending dual enrollment for all high school students and encouraging those who are in seventh grade and higher to do so. The cost is \$225.00 per student per year. Beginning 2018-2019 academic year the dual enrollment will be mandatory for all students seventh grade and higher.

Sincerely,

Pastor Cowan
