can help someone. Your donation can help treat
cancer patients, bring a car crash victim through
surgery, and even help a transplant patient's
new heart beat for the first time. Please make
an appointment to attend the blood donor clinic
Online at www.blood.ca or by calling 1 888 2
DONATE (1 888 236-6283). New Donors are
always welcome! If you knew someone who
needed blood, would you help? Your one
donation can help save or enhance the lives of
up to three people. Please ask your family and
friends to join you in helping those who rely on
blood and blood products. A little of your time
could give someone else a lifetime.
