THIRTEEN  
VANISHING  
WARM GLOW  
WITCH

This book has thirteen eerie tales plus a couple of true encounters, to chill the spine on a gloomy autumn evening. All items are donated and profits from this book, the fourth in the Crimson Cloak charity Anthologies series, go to World Child Cancer, helping children worldwide survive this scariest of diseases. With a foreword by Cynthia MacGregor, there's even a knitting pattern for a chemo cap for cancer sufferers.
