

DEANE HOMES SWIM CLUB RULES

We want the club to be an enjoyable place to be. Please take a few moments to review the following rules.

The pool is open Tuesday through Sunday from noon to 8:00 p.m. Lifeguard service is generally available from Memorial Day weekend until Labor Day weekend.

The club is closed on **MONDAYS** for cleaning and super-chlorination.

Deane Homes Swim Club is smoke free. No smoking, including E-cigarettes and Vaping devices on the Club premises.

Babies and non potty-trained children **MUST** wear a swim diaper; no exceptions. **Fecal incidents:** First incident will be a fine of \$100 plus pool cleaning costs to the member family. Second incident will be a fine of \$100 plus pool cleaning costs and the loss of pool privileges to the same member family.

The gate is to remain **CLOSED** at all times. Please use your gate fob.

Pool visits are limited to 10 individuals per household. A fine of \$125.00 will be assessed should there be a violation of this rule. Pool parties for larger groups are available for a small fee; please see the office for reservations.

Long hair must be contained in a hair band.

Aerosol sunscreen must be applied 15 minutes before entering the pool. Otherwise it is ineffective as a sunscreen and just floats on top of the water.

Children 14 years and older are allowed use of the pool without parents when a lifeguard is on duty. Parents will be contacted should there be issues with behavior.

No rough play is allowed. Absolutely **NO RUNNING** or pushing on the deck.

Lifeguards have the discretion to swim test any individual. Any child with floaties must remain in the shallow end, unless swimming with a parent/guardian.

Pool toys will be allowed at the discretion of the lifeguard. Diving is only allowed in the deep end (past the solid black line). **NO FLIPS.**
