**MURDER AT THE CARE HOME**, by [Brian O'Hare](#)

An Inspector Sheehan Mystery

Elderly Wilhelm Huntzinger lies dead beside his wheelchair.

Inspector Jim Sheehan must discover who among the residents of the Woodlands Care Home released the brake to send him plunging to his death: but does the answer lie in the German ex-officer's wartime history, or is it to be found nearer to home?

*The latest of the Inspector Sheehan series is a short story that can double as a party mystery game: create teams, read the story aloud, and see who can guess the murderer!*
