

# Hardy Ice Plant

## Jewel of the Desert Moonstone

*Delosperma 'Jewel of the Desert Moonstone'*

- ❁ Daisy shaped 2 inch flowers are so bright, with pure white petals surrounding yellow centers. Everblooming.
- ❁ Needs very well drained soil, gravelly or sandy soil, drought tolerant—do not plant in boggy soil
- ❁ Great groundcover or for trailing over walls and slopes

**Height: 4-6 Inches**

**Zone: 4**
