I hope this newsletter finds you all well and looking forward to the warmer months of spring.

The measles epidemic continues to plague our people of New Zealand and in particular the tamariki of South Auckland. If you suspect your child may have been exposed or is starting to show signs of this virus, please keep your child at home until they are well.

Recently, due to the cold and unpredictable weather (bursts of rain showers) our children have been coming to the office for dry clothing. Most clothing we have is unclaimed lost property. Unfortunately our stocks are now almost depleted. Please put an extra pair of pants in your child's bag for those unforeseen circumstances.

## PERSONAL CONTACT DETAILS

If you have a **CHANGE** of address or telephone contact numbers, please let the office know so we can update our files.

There have been a few incidences recently where we have had very sick children in the sick bay and no 'valid' contact numbers to advise parents.

## LATE TO SCHOOL

School starts at 9.00 o'clock.

If your child is late to school, please remind them to report to the office before going to class, so they can be signed in and collect a late pass to hand to their teacher.

## Ka mau te weki tamariki ma!

**All student absences** must be reported to the school either by a telephone call, a written note to the classroom teacher or come in personally to the office.

Although Jean Batten School does not encourage long periods of absence from school, we understand there are times when you have to return home for family reasons. Please complete a leave form at the school office. Long term absences not reported to the school result in withdrawal from the school roll and a notification to truancy.

Have a great weekend!  
Kia pai to ra
