"Vital Link Ministries International" extends a personal invitation to rejoice with us as we celebrate **14 years of faithful service in Romania!**
Thank you for your faithfulness of standing with us in sacrificial giving and praying without ceasing!

her each day with added wisdom from on high. On July 7th we celebrated our 37th wedding anniversary and look forward to many more happy years together. The last week of August Sister Vickie made a short stateside trip for the funeral of her earthly father, Brother J. Frank Rollins. Please pray for her family and especially for those standing in need of Salvation today.

Sister Cristina: This precious child continues to develop and grow in all areas of her life, it is hard to believe that on October 28th she will be twelve years old! Since arriving to live with us, two and a half years have quickly passed. She continues excelling in all of her studies at school bringing her grades to the top in her class. Additionally, God has blessed Cristina with the gift of music both in voice and the desire to play the piano. She is a true testimony for Jesus wherever she goes as she is not ashamed of the Gospel nor her Bible standards that the Holy Ghost put in her heart when she was born again just over two years ago. We do ask you to pray without ceasing for her health to continue being strengthened as well as the seemingly never-ending issues she faces with her family and relatives. The Lord knows all about it and is merciful to His children!

~ IMPORTANT NEWS ~

Rick and Karie Beauchamp are on deputation and desire to share with you their call of church planting and being God appointed members of the **"Vital Link Ministries International"** team. They also see the necessity of raising orphaned children in Romania in a loving family and Christian atmosphere. I highly recommend them as a serious, Godly couple who love the Lord and are called by Him to labor in Eastern Europe. The Beauchamps will undoubtedly be a marvelous blessing to your church! Their Pastor is Brother Brad Potter and they are a 100% local church ministry sent out of and fully accountable to Shephardsville Baptist Church in Shephardsville, Indiana. Please contact me for information to schedule them for a meeting to present their ministry.

It has been brought to my attention that malicious gossip and untruths about our ministry are being spread on the internet and also via e-mails or direct telephone calls to some churches and pastors. I am fully aware of the origin of who is trying to destroy what the Lord wants accomplished through our labors in Romania and please take notice that they have had no fellowship or dealings with us for a very long time. Therefore; I ask anyone receiving such correspondence as this to immediately contact me. I am easily accessible and may be reached at any time as my e-mail address and telephone number are clear and visible on the heading of all letters. Also, I prayerfully labor over each update we send and they are reviewed for accuracy and clarity in all areas. Therefore; if you read something that you do not understand, make no assumptions but again **immediately contact me**, please. I hesitated to mention this yet the Holy Spirit nudged me and prompted me to address this satanic attack and nip it in the bud. I appreciate your kind understanding and helpful cooperation in this matter.

If you have constructive thoughts, helpful suggestions or would simply like more information to plan a personal visit to see first-hand what our ministry is doing for the Lord in Eastern Europe; contact me via e-mail or telephone or you may get in touch with our Pastor, **Dr. Darren White at Emmanuel Baptist Church in Valley, Alabama;** his contact information is at the bottom of this letter.

Pastors and members from churches in America are always welcome here in our home and we enjoy guests while striving to be hospitable, attentive and caring to all who choose to come and visit us. May I ask you to please make this a matter of prayer?

With Sincere Appreciation for Your Fervent Prayers and Faithful Giving!

Your Servants For Our Lord In Romania,

Brother Clayton & Sister Vickie Morris

"GOD LOVES ROMANIA!"

~ CHURCH & MINISTRY NEWS ~

To GOD be the glory! We are humbled that He would allow us to be used as His servants and a living testimony for Christ while shining forth the light of the Gospel in the sin-soaked country of Romania. What a marvelous miracle of His amazing grace! Now our sights are fixed onward and upward as we move forward with a fervor and zeal towards the plans for the future He has shown and revealed unto us. By faith, we fully trust Him to provide and continue performing mighty miracles which only He can do!

Because of prayer and kind deeds with Christian love being shown to a hurting child or lost neighbor, or boldly proclaiming the Truth in our weekly programs, or sharing the good news of Jesus with others via a Gospel Tract; we have witnessed many souls saved during the past fourteen years and lives changed forever. Countless precious "seeds" have also been planted through our ongoing, tireless labors. Certainly the ripened harvest will be of priceless proportion as only the Lord can give the bountiful blessings of increase!

We remain obediently submitted to God's perfect will with excited anticipation of the imminent relocation to the peaceful countryside of Sinca Noua in Brasov county, Romania. Our worship services continue to be integrated with the Stanica family and the growing local church plant in that village. The facility housing our present ministry base in the town of Codlea will soon be liquidated with all proceeds from that sale being reinvested (as required by Romanian law) to assist (not enough for completion) in the new construction of a modest church auditorium and the necessary buildings to accommodate **"Cristina's House Christian Children's Home & Character Training Center"** in Sinca Noua.

The team of **"Vital Link Ministries International"** will focus our most intensive efforts towards winning souls and raising up a holy army of "soldiers for Christ" and "Holiness Unto the Lord". Of course, this includes the voiceless children orphaned and abandoned at birth in Brasov county living onsite with our team as an extended family. With God's help and much patience through fervent prayers, a new generation of Romanians will be trained in the true love and admonition of Jesus which can be shown to others, then shared to the utmost parts of the earth as the Lord leads, guides and provides!

~ FAMILY NEWS ~

Brother Morris: Praise the Lord for sustaining my health in good condition for the work He has called me to do. I have no known debilitating issues which might hinder the great task God has set before us; however, your prayers are always desired that He will give me added strength while guarding me from danger and all infirmities of the flesh according to His will.

Sister Vickie: The Lord continues to keep my wife healthy as He blesses
