WORLD

Under Mary's careful eye, the golden locket is finally safe. Or is it? There have been strange and worrying signs coming from the other world hinting at troubling times to come. Has Annilig managed to find her way free of her prison? Can Mary master her new wand in time to defeat an enemy she can't yet see? In this adventure you will travel through a mysterious land and meet amazing creatures with Mary and her companions, and if all goes well there may even be a pot of tea and a cream cake.
