Brent opened the meeting at 7:00 p.m. He stated that the town budget is down this year due to fewer highway projects pending that in other years. We only do major work when we get state grants to help fund the project. He also explained where we stand with TransCanada. We have a stand still agreement that will be settled when an agreement is reached with another town or a court case is settled.

MaryEm Saar presented highlights from the school report. The formal presentation will be made at town meeting. Residents present at this meeting plan to attend town meeting so they agreed to wait til then to see the full presentation. The school budget is down a little this year, as well as the ESCU budget. David Morrison asked what the student/teacher ratio is at Waterford. MaryEm will have that figure for town meeting.

Pre-town meeting ended at 7:30 p.m.
