FOUNDATIONAL TRUTH: **THANKFULNESS**

Expressing to God and others the ways they have shown one favor or kindness

“In every thing give thanks: for this is the will of God in Christ Jesus concerning you.”

I Thessalonians 5:18

IOWA STANDARDIZED TESTING

Our students in grades K-5-12th grade will take the IOWA Test of Basic Skills (ITBS), a battery of achievement tests in language arts, math, science, and social studies Monday through Thursday this week. In addition, students in grades 3, 7, and 11 will take the Cognitive Abilities Test (CogAT), a series of reasoning tests which measure nonverbal, quantitative, and verbal abilities. It is very important that every student be present during testing sessions. Please try your best to avoid making appointments during these days.

ELEMENTARY FINE ARTS COMPETITION

For a number of years, TCS has hosted the NCCSA Elementary Fine Arts Competition. Last year, more than 500 students, coaches, and parents were on campus for the individual competitions. It is scheduled for April 27. On this day, our preschool class will continue as usual. Our students in grades 3-6 will be competing in a number of events. Some of our students in grades 9-12 will be assisting our staff members with the many activities that will be going on. For some students (those in K-5 through 2nd grade), this will be a school holiday. More information will be sent home later about the specifics of this day.
