Dear Pastor, Church Family and Friends,

This last month has flown by. We have been on the road since January 17th with not much time for rest between each meeting. Every meeting has been so exciting, and God has encouraged us through His Word, and His people. Our first stop on this leg of our journey was in Charleston, West Virginia. We had a great time encouraging the people there to be soul conscious, and to try to bring their friends to Jesus Christ. We left there and went to a church in Sussex, NJ. This church is only a few years old, but God is doing a great work there. We had 2 young women accept Christ as their Savior that Sunday, and a young man seeking assurance. The father of the young ladies was there and he just wept as workers talked to his daughters, and lead them to Christ. He has only been saved a short time, but is burdened about reaching his family with the Gospel. Sunday evening we had yet another meeting in New Jersey.

Monday morning we headed to BIM I to take care of some business there, and recover a little before our next meeting. On Saturday we headed up to a 7 day Missions Conference in Northern Tennessee. This conference was Amazing! God did a mighty work in the church, but also in the children there. The children loved the Missions Conference as much or more than their parents. It was such a blessing to see everyone get involved in reaching the world with the Gospel. We even attended our very first Missions Parade. It was so exciting to see God work! On Wednesday night I preached, through an interpreter, to the Spanish Church, and 1 young man dedicated his life to the Lord! It is always exciting to see the decisions being made, and the lives being impacted for eternity.

From there we headed to Kansas for a meeting with a friend from college. It is always a blessing to cross paths with those who are remaining faithful. From Kansas we drove up to Montana where we closed out the month with a Missions Conference in the Big Sky state. This conference was a blessing as well in many areas, but they bought all of us a new pair of shoes. This was an extra blessing to my wife, as one of her pairs of shoes had been giving her blisters while wearing them. God answers our prayers and takes care of each of our needs.

We have battled a lot of sickness during this month. Please pray we can stay healthy as we continue to travel.
