## SUMMARY OF MAY MEETINGS

Our regular May meeting was replaced by two seminars presented by E. Mitchell Swann, ASHRAE Distinguished Lecturer. Mr. Swann spoke on May 5<sup>th</sup> and 6<sup>th</sup> as part of the technical seminars associated with MEET 2010 (Mechanical, Electrical and Electronic Technologies Show). A combined total of 73 people attended the seminars.

The first seminar, “Design Build – Executing the Project” was based on the ASHRAE Design Build Survival Guide, which Mr. Swann co-authored. He addressed some of the ideas, issues and concerns that arise in the D/B execution model that differ from traditional design or construction and differ for the owner as well. Scope, quality, cost and schedule control are key items which will be addressed in the program. The value of ‘selling’ the service is only maintained if there is value in the delivery as well.

The next day’s topic was entitled “Design Build for Green Buildings – Integrated Delivery of an Integrated Idea”. A key component of green design is the merging of the architectural and engineering design effort to yield a more holistic design. Another movement in the industry is in project delivery. Design/build seeks to gain time and cost efficiencies by merging the lines between design and construction. Given that both philosophies – green buildings and design/build – have the integration of services at their core, it is only natural that the two would also merge in the delivery of projects. This seminar will highlight some of the key ideas, elements and issues that are inherent in both approaches and where and how they interface on a project.

## NB/PEI CHAPTER CONDOLENCES

Our treasurer, Nicole Bourgeois, lost her mother-in-law, Cecile Marie Gallagher on Thursday, June 3, 2010, following a long illness. A donation in Cecile's memory has been made on behalf of the chapter to the Neonatal Unit of the Moncton Hospital. We offer sincere condolences and prayers for God's blessings to the family.

President's Report for 2009 – 2010

We had a good year with a combination of technical and social activities. I would like to thank the 2009-2010 Executive for all their support, their initiative and the smooth operation of the chapter this year. Let's see if we can score a few more PAOE points before the end of June!

I would also like to present the new executive and wish them the best of success in the new year:

President: Robert McEwen  
Research Promotion: John Willden  
President Elect: Kevin Clannon  
Student Activities: Amanda Wood  
Vice-President: John Willden  
Historian: Dwight Scott  
Treasurer: Jennifer Chapman  
CTTC Chair: Mathieu Breau

Secretary: Mathieu Breau  
Newsletter Editor: Robert Hoadley  
Membership Promotion: Yves Savoie  
Webmaster: Robert Hoadley  
Board of Governors: Luc Dugas, Fred Desjardins,  
Gerry Waselynychuck, Dan Boudreau,  
Jason Nelson, Patti Crouse,  
Eugene Bilodeau and Jeannot Thibodeau

We had a few things that distinguished this year from others:

- We sent two YEA members to the YEA Leadership Weekend.
- We had the Regional History Vice-Chair George Menzies visit during a great Christmas Past Presidents/History night presented by Dwight Scott. We also presented the Emile R Leblanc Memorial Scholarship to Tanya Steeves from NBCC Moncton
- Guy Perreault, our Director and Regional Chair visited our February meeting and presented a scholarship.
- We had Distinguished Lecturer Bill Coad at our March meeting.
- We had distinguished lecturer Mitchell Swan give two presentations in May at our MEET show. Mitchell also presented a scholarship at the ASHRAE booth.
- We continued operating our Student Chapter at NBCC Moncton. The students have been active in getting next years' students signed up. They hosted the commissioning webcast and had three local members attend.
- We created new scholarships for Holland College and for NBCC Edmundston.
- We sold ASHRAE Research cups as a promotional tool.

I would like to welcome new and past members to the June 19 Lobster Party in Cocagne and remind people to sign up for the golf tournament on August 5.
