

Lemony Lace Elder

Sambucus Racemosa 'SMNSRD4'

- ❁ Lemony Lace is a spectacular new Elder offering deeply cut, lacy leaves of gold that keep their vibrant color right through summer's heat. New growth emerges brilliant red on this compact growing variety with more deeply cut foliage than older varieties have.
- ❁ Creamy white flowers in spring. Red berries appear in abundance but are not edible for humans, but birds go crazy for them!
