

Helinsky University Rhododendron

Rhododendron x 'Helinsky University'

❁ Large trusses of bright pink flowers speckled with red-orange spots bloom on this very cold hardy newcomer from Finland. Foliage emerges with a reddish tinge and matures to a deep glossy green. Dense and upright growing, the shrub will usually be slightly taller than its width. Extremely hardy Marjatta hybrid

❁ Rhododendrons like acidic well drained soil. Adding peat moss and/or pine needles will ensure that they
