

Doublefile Viburnum

Molly Schroeder

Viburnum Plicatum/Tomentosum 'Molly Schroeder'

- ❁ An outstanding shrub headlining pretty pink, flat topped lace caps amid tiered horizontal branches, this sterling viburnum selection promises a repeat autumn bloom and consistently pink flowers year after year unlike other cultivars that fade to white.
- ❁ Broad handsome deciduous foliage—dark green, prominently veined changing to purplish red come fall cloaks the easy-going rounded frame

Height: 6-8 Feet
